MEMORIALIZING THE INTENT OF THE TRIBAL PORTION OF THE CORONAVIRUS RELIEF FUND IN THE CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT (CARES ACT)

HON. RAUL RUIZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, March 26, 2021

Mr. RUIZ. Madam Speaker, I rise today to highlight a critical portion of the American Rescue Plan that will help native communities across our country mitigate and recover from the ongoing coronavirus pandemic.

I am proud to have helped lead the fight to secure the \$20 billion Coronavirus Recovery Fund for Tribal Governments. It is essential that this fund is implemented swiftly and equitably by the Treasury Department as intended by Congress and following meaningful Tribal consultation.

Nearly a year ago, Tribal governments across the country, recognizing the imminent public health threat, voluntarily closed their business and government operations to stem the spread of COVID-19.

Many Tribal businesses in California's 36th District and throughout the State remained closed for months. It was this sacrifice, and the sacrifice that millions of Americans made to shelter in place and minimize social gatherings, that prevented this pandemic from claiming hundreds of thousands more lives.

For Tribal governments, the implications of the economic shutdown are hard to understate. In addition to supporting the workers they employ and meeting basic commercial obligations, Tribal governments rely on the revenue generated by their businesses to provide health care, education, emergency services, housing, security, sanitation, and more for their members. Tribal governments, unlike state and county governments, do not have a tax base to raise revenue. Shutting down their businesses meant losing the revenue that supports essential government services.

That is why the Coronavirus Recovery Fund for Tribal governments in the American Rescue Plan is so important. It is also important to address several issues and lessons learned from the distribution of these funds following the passage of the CARES Act.

First, Treasury should allow Tribal governments to certify their population counts. In the CARES Act allocation, some Tribes were improperly listed as having zero population,

while many more were severely undercounted based on their historical participation in Indian housing programs. This flawed policy resulted in some Tribes losing out on significant funding and it must be fixed in the implementation of the American Rescue Plan.

Second, it is critical that Tribal governments be given maximum flexibility in determining how they use funding provided to them from the Coronavirus Recovery Fund. Whether it is replacing lost revenue, making necessary capital investments, or providing health coverage to members, it should be up to the Tribal governments to evaluate and determine the best use of this funding. This flexibility should also recognize the unique nature and function of Tribal governments as opposed to state or municipal governments.

Lastly, I encourage Treasury to adopt a more equitable formula that better takes into account the disparate economic impacts that COVID-19 related shutdowns have had on Tribal governments and employees. In the implementation of the CARES Act many in my district were still left facing severe budget cuts. A formula that includes a proper weight towards economic factors would help address this issue, while also providing aid to those Tribes who were more economically injured by the pandemic.

COMMEMORATING THE
RETIREMENT OF LISA NELSON

HON. JAKE AUCHINCLOSS

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, March 26, 2021

Mr. AUCHINCLOSS. Madam Speaker, it is my honor and privilege to recognize Lisa Nelson on the occasion of her retirement after 15 years of dedicated service to the Massachusetts Fourth Congressional District and innumerable years of service to the community at large.

Lisa was born and raised in Attleboro, Massachusetts. After graduating from Attleboro High School and Wheaton College, she inspired children by beginning her career as a fifth-grade teacher. After transitioning into a career of inspiring her own children at home, Lisa would eventually start her own business doing real estate appraisals.

All throughout, Lisa's commitment to the Attleboro area has never wavered. She was the first woman to be appointed as Fire Commissioner for the City of Attleboro and recently served a term on the city Board of Assessors. She sat on the Attleboro Tricentennial committee and has held multiple positions on Boards of Directors for community organizations, such as Big Brothers Big Sisters, New Hope, The Sturdy Memorial Hospital Foundation and Attleboro Enterprises—working to improve the lives of some of those most vulnerable populations. Lisa is also active not only within her own church but with the Attleboro Area Interfaith Collaborative which is a significant resource in addressing food insecurity in the area.

Lisa began her tenure with the House in 2006, serving as a District Representative for Congressman Jim McGovern when his district included the City of Attleboro. Most recently, she served as District Director for Congressman Joe Kennedy and Senior Advisor with my office.

As I am sure my predecessors will agree, in a job that can have its share of difficult decisions, choosing to work with Lisa is not one of them.

Lisa approaches constituent service with an extraordinary amount of empathy and kindness. She is a trusted mentor to those she works with and three Members of Congress came to rely on her knowledge of the district, its needs and navigating the challenges of the federal system. She is a true representative of the values of public service.

It is difficult to truly capture the impact that Lisa has made for this office, district and countless constituents and their families but suffice it to say that her contributions will be missed. Though for those of us who know Lisa, we know those contributions will never truly end.

ISABELLA CIOTTI

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and applaud Isabella Ciotti for receiving the Arvada Wheat Ridge Service Ambassadors for Youth award.

Isabella Ciotti is a student at Arvada K-8 and received this award because her determination and hard work have allowed her to overcome adversities.

The dedication demonstrated by Isabella Ciotti is exemplary of the type of achievement that can be attained with hard work and perseverance. It is essential students at all levels strive to make the most of their education and develop a work ethic which will guide them for the rest of their lives.

I extend my deepest congratulations to Isabella Ciotti for winning the Arvada Wheat Ridge Service Ambassador for Youth award. I have no doubt she will exhibit the same dedication and character in all of her future accomplishments.

CENTERS OF MEDICARE AND MEDICAID SERVICES' RESPONSE TO QUESTIONS REGARDING CLARIFICATION ON CERTAIN PROVISIONS IN THE AMERICAN RESCUE PLAN

HON. LARRY BUCSHON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, March 26, 2021

Mr. BUCSHON. Madam Speaker, I would like to include in the RECORD clarifying comments from Centers for Medicare and Medicaid Services (CMS) in response to a question I asked during a House Energy and Commerce Committee Markup on February 12, 2021. During the Markup, I asked about the scope of the Medicaid drug rebate provisions, specifically section 3101(a)(4), in the American Rescue Plan.

CMS responded: "Regarding whether section 3101(a)(4) preserves the status quo, we do not believe this language extends rebates to drugs or biological products not currently subject to rebates under the MDRP. Meaning, it keeps the status quo."

"We agree this provision is drafted similarly to the 'fix' for MAT. Like MAT, since states would be required to cover drugs under this new COVID treatment benefit, confirming that states would still be required to cover such drugs absent any rebate agreement."

"Note that we do not believe current statute compels a manufacturer to enter into a rebate agreement. So if the intent is to compel payment of rebates for drugs covered under this new benefit, this provision would have to be drafted differently."

REMEMBERING ROBERT "BOBBY" BIANCO

HON. RAUL RUIZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, March 26, 2021

Mr. RUIZ. Madam Speaker, I rise today to celebrate the life of my constituent, Robert "Bobby" Bianco—a remarkable community member and innovative grower who made history in the Coachella Valley.

Mr. Bianco arrived in our Valley in 1965. He co-owned and operated Anthony Vineyards with his brother and drove economic growth and employed thousands of Valley residents over the past 50 years.

Mr. Bianco was a leader in the grape industry and was nationally known and recognized for his innovation. In fact, he was the first in the nation to commercially grow the red flame seedless grape in 1975, which rapidly grew to become one of the most popular table grapes produced in the world. This historic achievement drew people from near and far to visit our Valley and learn from his techniques.

Mr. Bianco's impact on the community extended beyond his ingenuity in the field. Along with his beloved wife, Harlene, he was involved in local organizations such as the Boys and Girls Club, Big Brother Little Sisters of the Desert, and Desert Arc. Mr. Bianco also was involved in the formation of the Palm Valley School and the expansion of churches in our Valley, such as Our Lady of Perpetual Help, St. Francis Parish, Our Lady of Solidad, Our Lady of Guadalupe, and Sacred Heart.

A friend and colleague of my father's, I knew Mr. Bianco to be a kind and hardworking man who strived to instill positive change in our communities. He was a local leader, nationally renowned grape grower, philanthropist, and lover of golf whose impact on our community will be felt for years to come.

Mr. Bianco is survived by his son, Anthony Bianco, and daughter, Francesca Gist, and his six grandchildren.

Today, we celebrate his life and record his story in our nation's history.
